Veni Vidi Vici

So many years together seem to be coming to an end quickly for the Class of 2002. A sense of pride in our accomplishments is also developing as we reflect upon games won, dances planned, awards received, and memories made. And so, this year, we have selected a theme paraphrased from Caesar-Veni Vidi Vici, or, We Came, We Saw, We Conquered. Our selection comes from our feeling of accomplishment, as we have conquered the high school experience. We came to this school as inexperienced freshmen, in our eyes the look of innocence. We have seen so much together, both happiness and tragedy-from the cheers of Spirit Night to the horror of September 11th. It is only now at the end that we have conquered, surviving through finals, fights, and changes. We have mastered the art of being high school students, only to be thrown into the frightening world outside. We will not be scared, however, because we have been equipped with the knowledge and desire for success. We are ready for the future, but will always remember our past. Together, we have conquered.

~Rebecca Walsh

CAMERATA

Advisor, Mrs. Hoffacker

Last April our Camerata group at Suffield High School went on a ten day trip to Edinburgh, London and Paris. The group that traveled to Europe included forty students and eleven chaperones. It was a very special trip mostly because it was, music director, Frank Pacocha's last year at Suffield High School. For him it was his last trip to Europe with the school. The group performed at places such as: the Great Room of the Edinburgh Castle, a small stone church in Hackness, and an outdoor park in Paris. Camerata's ensemble was immersed in foreign culture, and gave the community a great style of madrigal singing.

Girls Varsity Soccer

Proving a Point

The Girls Varsity Soccer Team had a lot of pressure this season to succeed. The season started off shaky, but as we grew closer we started to pull together. Even with many injuries we were determined to make it into the tournament. After beating Bacon Academy and Northwest Regional, we made it into the quarterfinals, which nobody expected of us. We lost, but we are proud of ourselves for making it that far. Most of all, we are proud of our team spirit and our determination to keep working hard even when everyone doubted us and having fun through it all! With only five seniors graduating, the team should have a promising season next year. Best of luck girls and always remember... "JUST DO IT!" Much love! - Erin Horanzy and Bonny Davidson

Girls JV Soccer

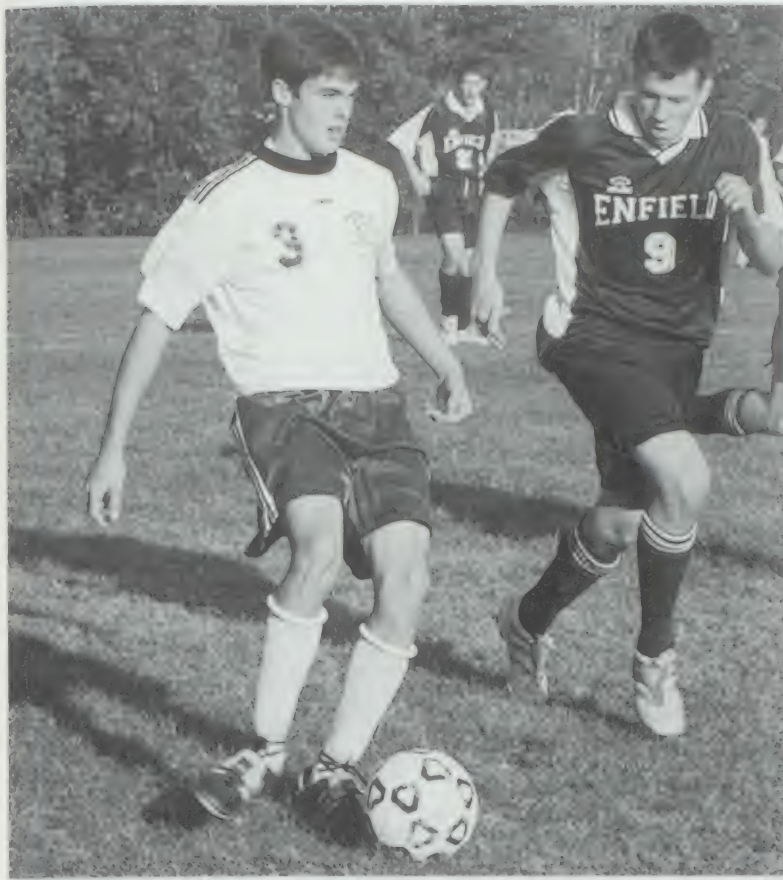

Never Giving Up

The Junior Varsity girl's soccer team had an all around great season. With their rough start they pulled together for a run of wins. Their effort and new coach Mrs. McKinnon made it a season to remember. All players put in an extra effort and helped out the Varsity with their injured players; entering each game with determination. Both coaches were proud of the team and their extra effort. Next year should be a promising year, good luck girls!

Boys JV Soccer

Staying On Top

The Junior Varsity boys soccer team had a strong season developing their skills and perfecting their technique to fill the Varsity spots for next year. All of the players had their own strengths and with the support of Coach Jones they held their own on the field. Goalkeeper Dave Moriarty defended the team at all costs and Ben Walsh, known as "Mr. Versatility" played many positions well. The boys look poised and ready for next year. Best of luck!

Boys Varsity Soccer

A Corner Kick Away

Starting off the season with a memorable game against Avon at Packard Field, the boys Varsity Soccer Team finished with a strong 6-10 record. Led by Robbie Rice, Bryan Moriarty and a group of talented seniors, the team displayed relentless effort, spectacular plays, and rose above the expectations for the year. The team played hard together, and our effort endured in every game. Great season, and best of luck to next year's team!

Varsity Swimming

*Making Ripples in
the Water*

After a great season, the girls swim team is poised for success next year. With many promising freshman and sophomore prospects, as well as solid upperclassmen, the team worked hard this year to establish a sense of unity. With great times at the state preliminaries, we even surprised Mr. Beck by qualifying for state finals! We made a strong showing at Wesleyan, and I am proud of the team. Every girl has contributed so much to the group, and led by our great coach, Mr. Beck, the team will only continue to excel. Good luck next year girls! -Becca Walsh

Varsity Football

Playing With Pride

The football team had a rough season this fall. Although our lack of experience contributed to many of our losses, our determination, perseverance, and love of the game continued throughout the season. The team is only losing three seniors and their success is looking greater in the future. Confidence of the coaches in the players will lead to the eventual success of the Varsity Football team. —Brian Zaczynski

Girls Varsity Cross- Country

Undefeated

Cross-country this year was amazing. Our team was close-knit and the girls were great friends. The coaches even tried new training techniques, which greatly helped. It was the perfect formula for success and all the girls stepped up to the challenges. We ran our hearts out knowing we had a chance to prove something this year. When it was all said and done we ended up going further than we'd ever dreamed we could. I am so thankful that I was part of such an amazing season in which every girl on the team showed what she was made of. -Katie Parise, Co-Captain

A Rebounding Season

The season for the Girl's Varsity basketball team was one of great improvement. After losing five seniors, three of whom were starters, coach Bob Berriman was faced with building a team from a very young group of girls. Fortunately, senior Co-Captains Kim Berriman and Amy Defocie were there to help their young teammates with words of encouragement and constructive criticism. Keeping Up The Intensity

The Junior Varsity girl's season was one of change and hard work. The new coach, Mr. Gaillard, a former member of the division III Keene State College basketball team, used his knowledge and passion for the sport to encourage the girls and intensify their game. A number of the girls were swingers and played in both the JV and Varsity games. These girls, including Katie Gates, Jessica Doane, and Holly Binczewski, used their experience in the Varsity game to help the team improve. The girls hope to have a winning season next year and expect to come out on top.

Tip Off To A Great Season

With a record of 5-0, the Suffield Boys Basketball team was off to a great start. After many great wins, everyone had dreams of winning titles. Losing star point guard Bryan Moriarty to a broken wrist in the fourth game of the season was very difficult for the team. Nevertheless, the boys went on to beat a very tough team, Bloomfield, led by All-State player and co-captain Jeff Viggiano. The team aimed for revenge against rival Windsor Locks, and made them pay for last season. In the future, the team hopes to continue their success and go on to take the State title. -Scott Blighton

Climbing Up The Ladder

The Suffield High School Junior Varsity Softball team had a season with many memorable achievements. The team had a notable record of 8 wins and 5 losses. The team had a great pitching staff, led by Mary MacKinnon, Katie Koistinen, Janet Burke and Kristen Naismith. To back up the pitchers, the team had an aggressive defense, headed by Kristy Goulding along with Susan Ansman and Mary-Rose Adams. The batting line average stayed consistent at .375. Boys Varsity Tennis

A Season to Remember

The 2001 season for the Tennis Team was the best in history. We are the first Boy's Tennis Team to get a banner for conference champions. Leading the team was our last year senior Dan Presser. He was our only member to achieve all state status. He played number one singles the whole season and was a real leader all though it was his first year on the team. Leading the team also were seniors, Jeff Fahrenholz and Richard Cwikla. Five of our last year juniors achieved all conference status. These included Paul Brunette, Jack Rafalowski, Bobby Nims, Austin Borg, and Adam Chaney. We only suffered one loss this year to Avon. Most of our team competed at states and did very well. Dan Presser was runner up at states being the only team member to compete in the finals. This season was definitely a team effort. Presser was a great asset and he had a great team that he could rely on to back him up with wins. Thanks for a good season, boys. - Adam Chaney

Boys Varsity Golf

Making Progress

The Men's Golf Team is full of potential this year. We have many young members on the team and next year our success will rest on their shoulders. This year we did pretty well, we were seventh in the conference and fifteenth in the state, while graduating one senior, who played the number one position. We feel we owe a lot of credit to Mr. Aniello for teaching us to become better players and giving us a lot of good memories.

Boys Lacrosse *A New Beginning*

Fighting for our respect earned us the recognition we deserved this season. Suffield Lacrosse began while I was a freshman with about 12 guys, a couple of sticks, and the want to play. We coached ourselves through a couple weeks until Lee Pinney joined as our coach who taught us the fundamentals and the mental playing of the game. Two seasons later our team gained varsity status and as our hard work finally paid off, we were able to defeat teams like Housatonic, Woodstock, and St. Bernard. This upcoming season is looking to be the best yet, as we hope to work as a great team and make it to the tournament. - Jason Silva

Girls Outdoor Track

A Near Perfect Season

The Women's Track and Field Team had an excellent season. They finished second in the NCCC Conference and produced many top finishes in big invitationals. They were a force to be reckoned with on the track, and the future looks bright in the field thanks to some outstanding underclassmen. Losing only one senior, the team looks promising for next year. Good luck, girls!

Boys Outdoor Track

A Fine Effort

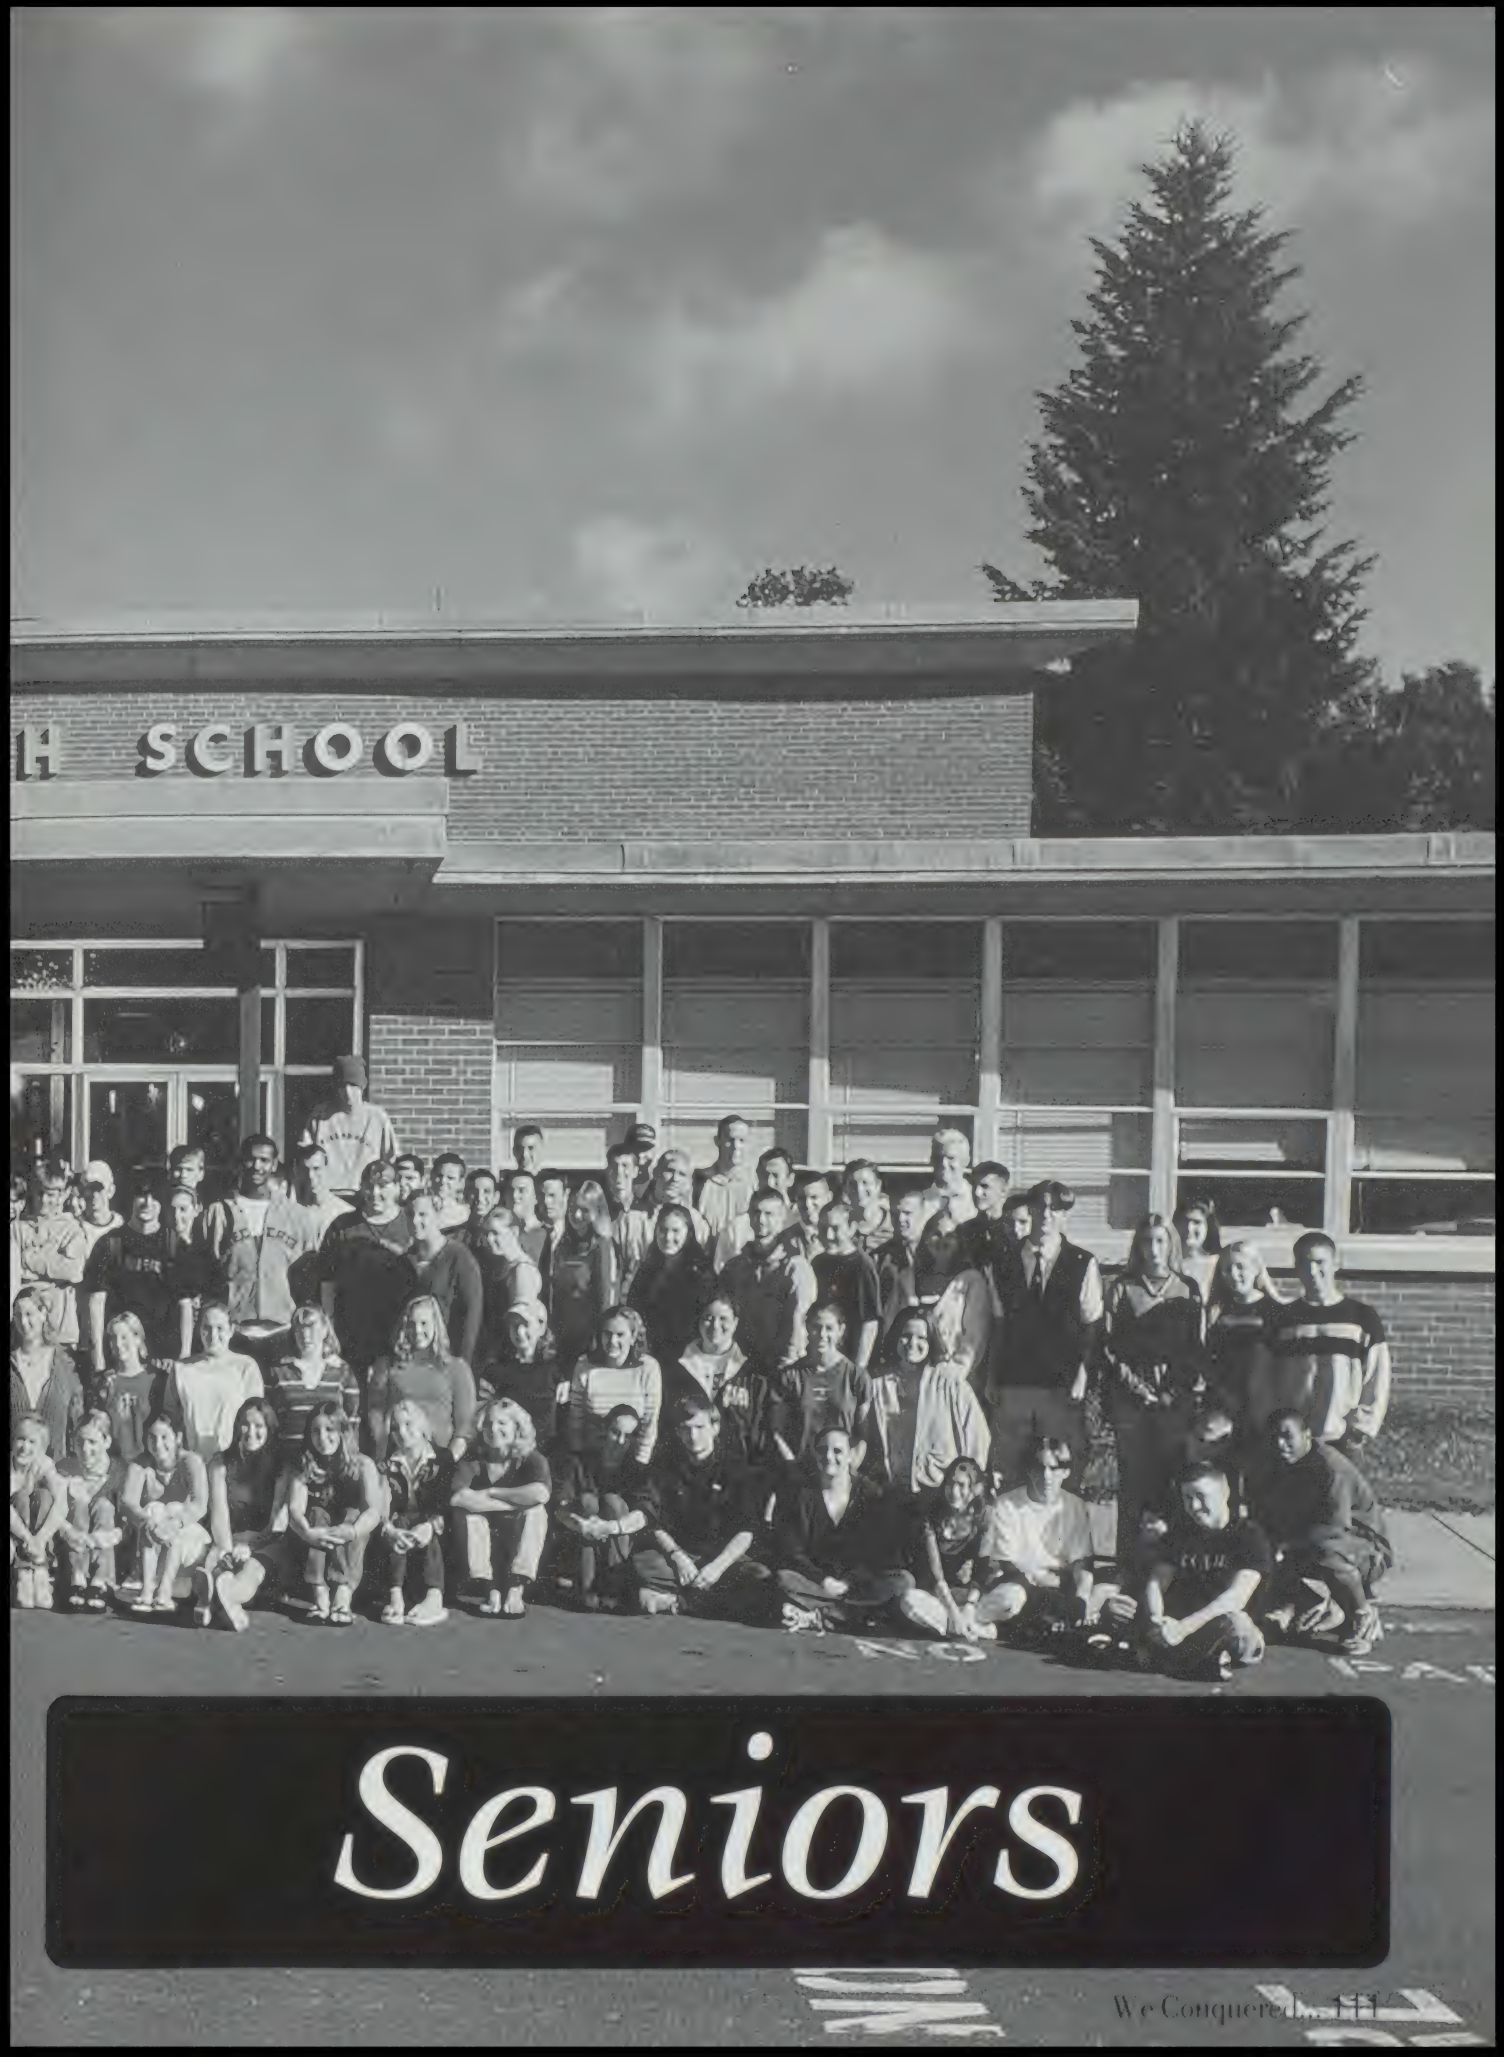

The 2001 Boys Outdoor Track and Field team had a very successful season excelling in all areas. From running the 3200 meter race, to hurdling, to throwing the shot put, there was always someone who could be counted on to do the job. Everyone worked as a team to make this a great year. We should real team work and motivation. We look forward to another great season next year. - Andrew Goff

Suffield High School

Brick, tile, glass, and steel - what makes a school? In our four years at Suffield High, we have learned that it is the faculty, the students, and the essence of education that truly compose the character of this building. As we watch the new high school arise from the land on Sheldon Street, we reflect on our time here, at the high school we have always known. Here we have shared the triumph of state championships, the chaos of Spirit Night, the pain of losing dear friends, and the celebration of making new ones. These walls have born witness to so many memories, and the Class of 2002 is faced with a

unique situation. Not only are we saying goodbye to our teachers and our friends, but we will be the last seniors to say goodbye to this school. This task is truly special, and as we progress through our last journey together, we must hold fast to what will remain: our memories. So, no matter what building we call our high school, the memories will endure - so much more than brick, tile, glass, and steel.

- The Class of 2002

-- Rebecca Walsh

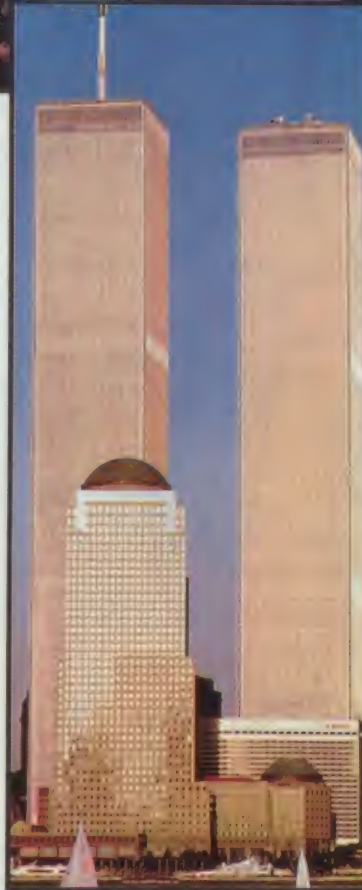

In Loving Memory...

On the morning of September 11, 2001, it seemed as if the world had come to a halt. When word spread like wildfire that two commercial airline jets had crashed into the two biggest landmarks of New York City, the country immediately went into a panic. Soon after, it was reported that a third plane had also crashed into the Pentagon building in Washington, D.C., and then a fourth, crashed into a field in Pennsylvania. The American people had never experienced tragedy or terror of that magnitude since Pearl Harbor in 1941. Everyone was somehow affected by this American tragedy, and can recall where they were at the moment they heard of the news. The nation never seemed to be so tight-knit as it was in this time of mourning. Candlelight vigils were held throughout the United States to remember the six thousand innocent victims of this terrorist act. As a country, we stand ever so united, and will prevail as Americans always do. We salute the courage of the rescue workers, and anyone who lost their life fighting for our cause-- freedom and justice for all. God bless America.

Advisor Appreciation

Mrs. Reluga

Mrs. Peerless

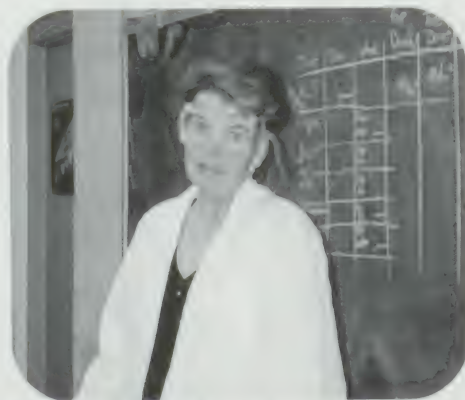

Mrs. Peerless and Mrs. Reluga have been leading the Class of 2002 through our four years here at Suffield High School. They have watched us learn through mistakes and experience, gave us plenty of constructive criticism, and supplied us with the tools necessary to make each event as successful as it could possibly be. We had a rocky start as a Council, but as time passed, we grew as a unit, and we learned to work together. They watched us work from a respective distance and allowed us to learn from our own experiences while completing many challenging tasks. They forced our Council to work hard and

commit themselves to the work involved in representing our class. It was a tough job, but as a team, our council succeeded. We appreciate everything that they did for us, and we will learn from our experiences with them. Thank you both for four years of great memories.

--The Senior Class Council: Melanie Schorr, Amy Defocie, Rebecca Walsh, Erin Horanzy, Megan Garvey, Ann Cavallaro, Anthony DiLorenzo, Kendra Foy, Drew Tagliavini, and Jason Silva.

Class Council

For four years, the members of the Class Council have dedicated themselves to raising money for our class through a variety of activities. They have planned, organized, and attended events such as Spirit Night, Suffield On The Green, the Semi-Formal, the Prom, and more. Members include: President - Melanie Schorr; Vice President - Amy Defocie; Treasurer -

Rebecca Walsh; Secretary - Erin Horanzy; Representatives - Ann Cavallaro, Anthony DiLorenzo, Kendra Foy, Megan Garvey, Jason Silva, and Drew Tagliavini. Together, they have spent numerous hours working diligently to ensure that our Senior year is the best it can possibly be. Their efforts are greatly appreciated by all, and we thank them very much.

A black and white collage of high school memories. At the top, three photo albums are displayed, featuring portraits of students and a group photo. Below the albums, a "HIGH SCHOOL" banner is visible. The central part of the collage includes a "THE PROM" poster showing a couple, a "THE CHEERERS" poster, and a "CREW 1999" banner. The bottom half of the collage is dominated by a large, dense crowd of students, likely at a school event or sports game.
